**R&G Medical Consultants proudly presents:
Adverse Perinatal Outcomes: What the Non OB LNC Needs to Know**

It is a pleasure to invite you and your AALNC chapter organization members to a “virtual” continuing educational in-service sponsored by R&G Medical Consultants Inc. on January 31, 2008 at 6:30 p.m. to 7:35 p.m. AZ Time. The in-service will be conducted via webinar and is worth 1.0 Contact Hours.

This in-service can be viewed from the comfort of home as it is held in our “virtual” auditorium. Attendees will hear the presentation on the telephone and see the live streaming presentation on their computer screen.

High speed Internet access is required to attend and participate in this webinar.

Joellen Klohn, AD, RN C, LNCC has many years of experience as a legal nurse consultant and 20+ years in maternal-newborn nursing. She will help the LNC with limited or no obstetrical and newborn clinical experience to understand the major issues involved when reviewing a case with an adverse outcome for mom and/or baby. Learn to identify essential documents for review of obstetrical cases. You will find the review extremely informative and helpful in broadening your legal nurse consulting horizons!
